

Honor a veteran. Buy a brick on Heroes Walk. And help maintain the Paoli War Memorial Gardens.

Now there's a wonderful opportunity to eternally recognize the men and women of Paoli who have served in the armed forces.

The Memorial Gardens, at the corner of Rte. 30 and North Valley Road, has long stood as a testimony to our veterans' courage. And recently, a trust fund has been established to not only maintain the Memorial Gardens, but also to build a brick "Heroes Walk" surrounding the site.

Bricks will be engraved with a veteran's name and/or a short personal tribute to show your support and caring of the very brave efforts of someone close to you.

We are asking for your contribution to this project. For a donation of \$150, your engraved brick will be a permanent display of honor. If there's not a veteran in your life, you can show your support by simply making a donation.

Heroes Walk will be officially dedicated in May 2005 in conjunction with the launch of the Paoli 250th Anniversary celebration.

To make a donation, simply complete and return the form below. With sincere thanks from every U.S. veteran past and present.
