Chester County Community Foundation

28 W Market Street

One of the best investments that we can make is in our community and our youth. The Front Porch Trust Scholarship Fund was created by the Paoli 250 Anniversary Committee and the Paoli Business and Professional Association to recognize and reward community students who are making a difference through volunteer efforts and/or school and civic involvement.

Six scholarships are provided annually in April for deserving seniors at Great Valley and Conestoga High Schools. In addition to listing their activities, the applicants are asked to reflect on the **Margaret Mead quote** *“Never doubt that a small group of thoughtful, committed citizens can change the world; indeed it’s the only thing that ever has”*. The essays give all of us hope for the future of our community.

During this unprecedented time, students are finding themselves in very difficult family financial situations and need scholarships now more than ever before. We are reaching out to local businesses and individuals to support the Front Porch Trust Scholarship Fund with a tax-deductible donation of any amount.

As a fundraising effort for the Front Porch Trust, we are selling Richard Bollinger’s print of General Anthony Wayne’s home “Waynesboro”, see the attached picture. Richard Bollinger painted this local landscape to commemorate the Paoli 250th Anniversary in 2005. PBPA is in possession of 100 numbered prints, which we would like to sell to the community to fund the Front Porch Trust Scholarship Fund. The cost is \$100 per print. Please contact me if you would like to purchase a print; they are in my Paoli office.

Please consider a donation to the scholarship. To do so, please complete and submit the attached donation form, making checks payable to “The Front Porch Trust” and mail to CCCF 28 W Market Street WC, PA 19382 or you can donate online at www.chescocf.org and select “Donate Now” and “find a fund”. Thank you and I would be happy to answer any questions.

Sincerely,
